

Stepping Stones

— SPECIALTY TUTORING —

Building Brighter Minds One Step at a Time

Employment Opportunity

OG Canada | Language Interventionist

Stepping Stones Specialty Tutoring is looking for an Orton Gillingham practitioner (Associate or Interim) to work at our center in beautiful West Bay, West Vancouver.

Our office is located in the historic Black Cat building at 3396 Marine Drive. We have an exceptional work environment, as there are private work spaces, an outdoor terrace, and an expansive back deck with views of the ocean. It is a calm and relaxing learning space for teachers, parents, and students!

All OG resources will be provided by Stepping Stones, which will minimize preparation time for instructors. In addition, comprehensive training and mentoring will be provided to new instructors.

Perhaps you are an OG Practitioner Associate who doesn't have a home office or who doesn't want to travel to various locations.

Perhaps you are an OG Practitioner Interim who is looking for mentorship and the opportunity to meet your teaching requirements to become fully certified.

The age group focus for OG at Stepping Stones is Pre-K to Grade 6, but practitioners who are able to teach older children are welcome to apply, as we get requests for literacy intervention for older students, as well.

We are open seven days a week to best serve the needs of our clients, but you are welcome to select the days and times that best suit your schedule, and we can then book the clients accordingly.

All sessions are private: one instructor and one student. Each session is 60 minutes, and instructors receive paid prep time.

If you are looking for tutoring outside of a purely OG focus, we have clients who require Language Arts assistance for reading, writing, spelling, vocabulary development, and grammar, so there is an opportunity to branch out beyond OG tutoring, if you wish.

Please contact Bev, if you are interested in the position. I look forward to hearing from you.
